Practice Profile

Tasman practises commercial litigation and arbitration with an emphasis on contractual claims, civil fraud, contentious trust, fiduciary obligations, unjust enrichment, and injunctive and other equitable remedies. He is also experienced in property litigation involving beneficial ownership disputes and adverse possession claims. He regularly appears in all levels of courts in Hong Kong as sole advocate.

Tasman also practises in competition law, advising and representing clients through the investigation process and in competition enforcement actions at the Competition Tribunal. He has also contributed to practice notes for research platforms, and has given CPD talks on this area.

Tasman is also developing a practice in aviation law and has experience in advising entities in the aviation and travel industry on passenger and cargo claims under international conventions and other assorted legal issues.

Education

- LLM in Competition Law, King's College London (distinction)
